Dear Parents and Carers,

In the immortal words of Alice Cooper, **Schools Out for Summer!**

Summer Holidays!!

At last, the summer holidays are upon us. If you have term time only children, it's time to relax (or at least try to), have a holiday and spend time with the kids.

With that in mind, we thought we would provide you with some ideas to occupy your days.

The above website provides lots of ideas for your summer days including music and football clubs. Some of these activities are free depending on your personal circumstances so definitely worth a look.

Knockhatch Trip

So, on the 15th July the Nursery attended Knockhatch for our annual outing.

This, for want of a better word, was a total success. The weather was amazing, also a little birdy told me that even some of the staff got to go on the rides.

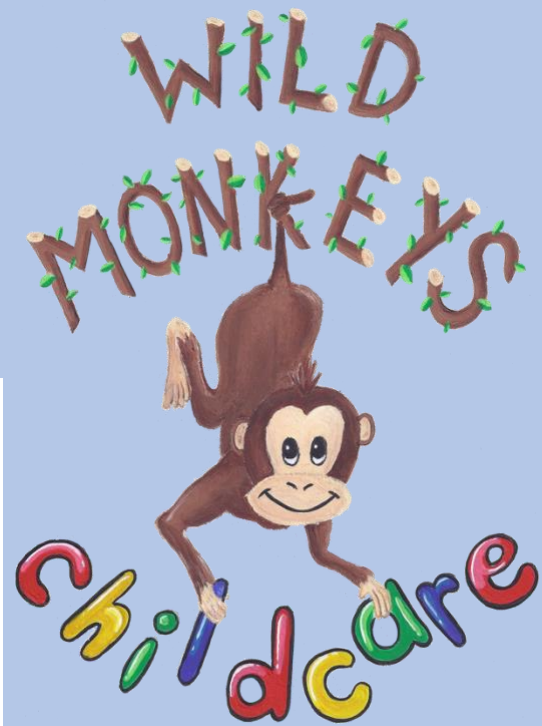

Everyone here at Wild Monkeys hopes you have a fantastic summer, and we can't wait to hear what you get up to.

Thanks

Simon and the team (Operations Manager)

A Friendly Reminder

Please remember to send in hats now the warmer weather has arrived. Also, make sure your child has a top that covers their shoulders. You will be asked at the door by the staff if you have already sun creamed your child, if not, there is some you can use in our sun cream station at the front door. If you prefer, you can send your own in a labelled bottle.

Wild Monkeys Nursery

As we announced last month, Wild Monkeys is expanding!

Starting in September 2022, we will be opening a new Term Time only setting in Telscombe Cliffs. This will be called Wild Monkeys Nursery and will be a Beach Nursery as opposed to a Forest Nursery.

We are so excited and already have numerous children lined up to attend.

We understand that other nurseries will follow suit and try to offer a beach setting, but we are proud to be one the first and will do everything to ensure as with our Glynn Road setting, we only provide the best service possible.

As an introduction, below are the staff you can expect to meet.

Lynne – Deputy Manager, SENCO

Trudi – Nursery Practitioner

Paloma – Nursery Practitioner

Alison – Nursery Practitioner and Child
Protection Lead.
