July 2022

Dear Parents and Carers,

I can't believe it is nearly July already!

Goodbye Georgia and Congratulations Sarah

So it is with mixed emotions that this month we have had to say goodbye to Georgia. Georgia was our deputy manager however, after a lot of thought, she has decided to accept a job closer to home that will allow her to spend more time with her family and work directly with her husband. All of us at Wild Monkeys wish her the best of luck for the future.

In her place, we are pleased to announce that Sarah has been promoted to Deputy Manager. Sarah has been with us since 2019 and brings a wealth of knowledge and experience to the role. Please join us in congratulating Sarah on her well earned promotion.

Sports Day

In June we held our annual sports day and amazing fun was had by all. The children did so well! Thank you to all the parents that made it and for those that couldn't, but their children participated, you can check out the pictures on Tapestry.

Knockhatch Trip

Don't forget that our yearly trip, this year to Knockhatch, is on Friday 15th July.

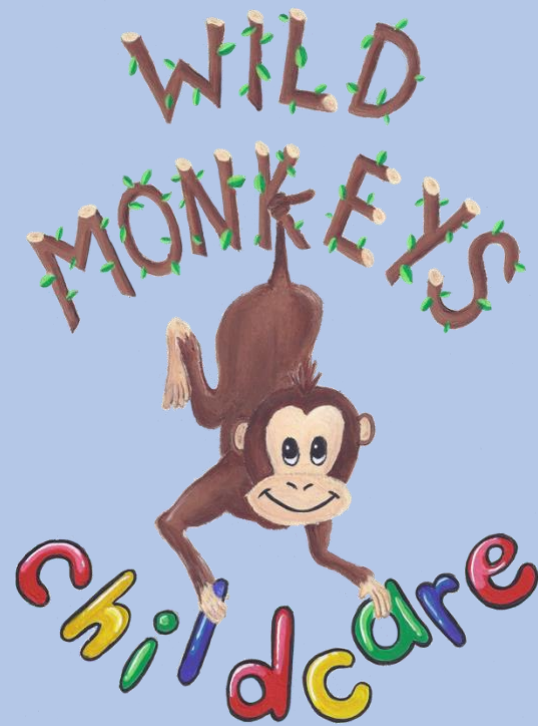

For everyone that is travelling with us, please ensure that you arrive at 9.05 so that we can load the coach quickly and cause as little disruption to our neighbours as possible

Thanks

Simon and the team (Operations Manager)

A Friendly Reminder

Please remember to send in hats now the warmer weather has arrived. Also, make sure your child has a top that covers their shoulders. You will be asked at the door by the staff if you have already sun creamed your child, if not, there is some you can use on our sun cream station at the front door. If you prefer, you can send your own in a labelled bottle.

Staff Spotlight

Sarah – Deputy Manager

Hi, I'm Sarah. I've worked in childcare for 9 years. I like working with children because I love seeing them learn and grow and helping them reach their full potential.

I joined Wild Monkeys in 2019 as bank staff before accepting a permanent position as a Practitioner and then being promoted to Deputy Manager.

In my spare time, I like reading, listening to music, and spending time with my grandchildren.

I've been a Wild Monkey since 2019.
